Sent to the punishment cock

Confessing to your husband can lead you down unexpected paths. Having a row one night, I told him I had shagged two guys a couple of weeks ago. He'd had no idea I'd been unfaithful.

A few days later he came up with a suitable punishment and took me for a drive to a 'dogging' area – a place where couples fuck in cars as blokes watch and wank.

I'd been instructed to dress like a complete bitch on heat and was to wear knee high boots, a short red PVC mini, a tight black top – and no underwear.

My husband switched on the interior light and wound down the windows so that any horny guys could reach in and rub or grope me if they wanted.

I heard footsteps and turned to see a man peering in.

Before I knew what was happening, hubby was pulling down my top to show the guy my stiff, rubbery nipples.

"Can I wank over you?" the man asked.

"Yes please," I replied, spreading my legs for him.

Hubby knew what I wanted and stabbed a finger up my sopping wet gash.

The man reached in for a feel and squeezed my tits. He did it gently at first, then got gradually rougher with them – just the way I like it.

I was in ecstasy and wanted more, so I turned over and stuck my arse out of the window.

"Do me now," I told the man.

He positioned his cock against my sopping wet cunt

ALL HANDS ON DICK!

Our grandma went on a cruise once, but she never sent us a postcard saying she was getting her muff eaten at the captain's table and her rear admirable pounded by horny deckhands. Which is just what these stunning sluts are experiencing on this genuine liner. Private is putting the pleasure back into pleasure cruises, and bringing the average age of passengers down by about fifty years. Cruising for a bruising in their bums are Euro-sluts Kristy Lust, Cindy Dollar, Laura Crystal, Rihanna Samuel and Stracy Stone.

I scooped up some of his sperm with my fingers and tasted a little, letting the rest dribble down my chin.

But this had just got me started. Suddenly I wanted more cock and I told the next guy who came along that my arse felt good and slimy with stranger's spunk.

"Let me fill it up for you," he said, so I pushed my bum back out of the window and spread my cheeks.

Guy number two licked my sodden holes. He slurped up my nectar and fingered my tight wet arse for size.

After a minute or so of fingering, he edged his fat cock into my puckered ring inch by inch.

I howled at the pain but hubby told me to take it and before long the guy was humping my shitter for all he was worth.

His balls slapped against my wet pussy with a 'thwacking' sound and my hubby kissed me on the lips as the guy blew his beans all over my arse.

"You're not finished yet," my hubby told me, and pointed to four other guys waiting outside for their turn.

By the end of the night my pussy and arsehole had been fucked so much that I was walking like John Wayne the next day. What a punishment!

and stroked it in and out of me as I screamed with lust.

Our little display soon attracted attention and my hubby called over another guy to watch me getting fucked.

By this time my cunt was like a wet sponge and the whole of my arse was sticky with juice.

The man finally withdrew and pumped his cum all over my PVC skirt.

"The second guy licked my sodden holes, slurping up my nectar and fingering my arse for size"

You'll be needing some quality lube to go with the stroker and Mia doll this month so I thought I'd better arm you with some fantastic wank cream. No, not mine, but a tube of Stroke 29. Although non-greasy, it's thick and wet and creates a delicious slippery wank. Called Stroke 29 because as it heats up the texture changes, on about the 29th stroke, to simulate the sensation of aroused human tissue. Glad someone paid attention in chemistry, eh? It's lush and available now.

Taking the froth amendment

When I was staying at a friend's house a few weeks back, she said she had to pop out and run a few errands for an hour or two.

I asked if I could have a shower while she was away and she said sure, so as soon as she'd gone, I stripped off and stepped into her tub.

I hadn't bothered to locked the door because I never did at home.

Besides, her boyfriend was working in the back garden and I was secretly hoping he'd walk in and catch me while I was all naked and soapy.

I'd only been in there a couple of minutes when I heard his feet in the stairs. I began masturbating furiously and praying that he'd open the door, but instead he headed for the bedroom.

I was really disappointed and just finishing myself off when suddenly he walked in and caught me red-handed.

I pretended to be all embarrassed and apologised for not locking the door, and even made half a pretence to cover myself up, but then I noticed that Jimmy himself was naked.

"Room for one more?" he asked and I felt his eyes all over my body. I looked down at his dick and saw it suddenly twitch.

It took less than ten seconds to rise completely but when it did was enormous.

"You want me to wash that for you?" I asked, dropping my hands away from my body so that he could see everything.

"I thought you'd never ask," he replied, stepping in to join me.

I squeezed some shower gel into my hands and rubbed it into his rigid prick, working it to a rich soapy lather as the steam rose around us.

I worked the bubbles around his helmet and underneath his bollocks, dropping down to my knees for a closer inspection, then rinsed the whole thing off under the spray.

"I was hoping her sexy boyfriend would catch me all naked and soapy"

visit www.paulraymond.com

"What would you like now?" I asked, gently pulling on his stiff meat

Jimmy nudged his prick against my lips and I opened up and let him feed his long shaft inside until I had the lot in my mouth.

I sucked on his fat cock as he thrust backwards and forwards against my face, and wanked the base of his stick with my dainty fingers.

The water poured trickling over my cunt and ran down my arse and I used the fingers of one hand to play with my pussy as I thrashed Jimmy's cock into my mouth with the other.

"Faster," he told me so I tightened my grip yanked on it as hard as I could.

I could taste cum in my mouth already and started swallowing instinctively.

I slurped all over his hard-on with my lips and swirled my tongue around his head as I wanked him into my throat. Soon he was holding my head and grunting.

A second later cum burst all over the back of my throat. I milked his prick for every drop as he squirted in my face and I swallowed the lot down with a great gasp of satisfaction.

My own orgasm shook me as I drank the last of his squirts and the pair of us washed each other down as the tingles subsided.

Jimmy suggested we kept this to ourselves and we got dried and dress before my friend got back.

She still doesn't know what happened with me and her boyfriend but I don't think she'd be too angry with me for sucking him off. That's what I tell myself anyway!

Her lover listens to her side of the conversation. "Hello? Oh, hi! How are you? Oh yes... Right... That's great, I'm glad you're having such a fantastic time. Okay, see you soon. Yes, bye!" She hangs up and, curious, her lover asks, "Who was that?"

The woman smiles and replies, "That was my husband telling me about the amazing time he's having on his fishing trip with you."

TRUE CON

TESS GETS A PHWOAR SCORE DRAW WHEN SHE PLAYS THE DATING GAME

I thought I'd write in and share my recent naughty confession with your readers – I hope you enjoy reading it as much as I enjoyed doing it!

I'd been playing the dating game for the last year or so without much success. Most dates insisted on taking me for a few drinks, or a meal, when I knew that all they really wanted was to get me out of there and back to their place. That was until I met Mark. From the moment we met, he treated me with total respect, insisting on not letting me pay for anything and it was clear that he was pretty loaded. He was well known in each of the restaurants he took me to and I was treated like a queen each time. After a few dates we hadn't even gone past a snog, let alone gone back to his.

On about our fifth date, we left yet another restaurant, and went around the corner to what looked just like the doorway to someone's house. A very welcoming bouncer soon opened the door, and Mark told me that it was his private member's club where he liked to come to drink late at night. Inside, the interior was beautifully decorated and candles dimly lighted the whole place. He seemed to know everyone in there and showed me off like he was incredibly proud. I was so excited, just soaking up the atmosphere, as I'd never been anywhere like that before.

Just when I thought it couldn't get better, we were shown through to a private room that he had booked within the club. There was champagne already on ice, and a circular leather sofa around a small candle-lit table. Within moments we were clinking together our two glasses and after all the wine with the meal, it went straight to my head. So grateful for my wonderful night, I began to kiss him passionately and my hands were wandering all over his body for the first time. Half-expecting him to be the gentleman and politely push me away, I paused to see his response. To my surprise he instantly began to run his hand along my thigh and under my short black dress. His other hand peeled the straps away from my shoulders until the material hung loose over my tits, my bra half-exposed. I glanced at the door, instinctively, to see if anyone was coming in, but he instantly reassured me, saying "No-one will disturb us in here, I pay enough for this room."

"Really?" I coyly questioned, before adding. "I'd better make sure you get your money's worth then." I slid from the sofa, my breasts just about spilling out of my dress, and began to unzip his flies slowly and seductively. I saw his chest heave up and down with anticipation, and as I pulled his dick free of his boxers, I heard him catch his breath. I know how to give a good blowjob, and spent minutes licking up and down his thick veiny shaft, flicking my tongue under his uncut foreskin and taking his (pleasantly) shaved balls in my mouth slowly, one at a time. When I finally sunk

FESSIONS

my head over his prick, I felt it pulse and flex with pleasure against my tongue. He certainly wasn't playing the gentleman role now, his palms on the back of my head, pushing my face over his length.

"I HAD NEVER FELT SO HORNY AND DECADENT!"

His dick pushing against the back of my throat, I could hear his heavy breathing and knew I could make him come right there and then. Sucking my cheeks in, I slowly lifted my head up and off his dick, slurping my tongue against the tip one last time, before leaving it throbbing with expectation. I stood up, my eyes fixed on Mark's at all time, and began to strip my dress from my body seductively. I could taste Mark's pre-come in my mouth, and as I shifted my panties down over my thighs, Mark reached down and grabbed his cock.

"Now, now," I said, "don't get too excited yet," and he instantly took his hand from himself. I could see my naked body in the mirror as I walked towards him and went to mount him. As I lowered myself onto him, I parted my soaking pussy lips with my splayed fingers and teased his swollen end a few times, just letting his foreskin and my cunt lightly connect. Unable to contain himself, he roughly grabbed my hips and shoved me down hard over his aching pole. I ground my arse against his balls as I began to fuck him slow and hard. My tits were in his mouth and he sucked at the nipples roughly as I began to speed up my rhythm. I grabbed the champagne bottle from the ice bucket and poured it over my chest, making him lick at my boobs even more frantically. I had never felt so horny and decadent, and I leaned back swigging from the bottle, watching my ample orbs bounce in the mirror as I rode his prick.

One hand holding the bottle to my lips, I began to frig my clit with the other, as Mark cradled my arse, driving his length upwards hard into my twat. His face flushed and I knew he was about to come, so I began working myself hard with two fingers. I was lost in my own world of pleasure and the instant I felt a jet of come inside me, my whole lower body filled with warmth and I let out an uncontrollable scream of pleasure. Mark kept on filling me up, and our juices mingled as I wrapped my arms around his neck, pulling in close to grind out the rest of my orgasm.

By the time we had finished, the leather sofas glistened with our come, and my clothes were strewn around the room. I gave Mark a guilty giggle and said, "We'd better clean up the mess." He just smiled and replied, "Oh, somebody will do that for us, don't worry." Now that really was something I'd never experienced before and I could definitely get used to it!

I've seen Mark a few more times since and, yes, we have got up to all kinds of indecent behaviour. He certainly has a kinky streak, which is coming out more and more – if you're lucky, I may well write in again and share another horny experience with your readers again…

I got my leg over at sleepover

Happily married for three years, my husband and I have a very 'normal' sex life.

However, what started out as a game led to a sexual awakening in me.

My daughter brought her boyfriend home about six years ago. Bill struck me as a pleasant lad, obviously out of bounds, so I never thought about him in that way.

One day at a barbecue though, he was bemoaning the fact that it was a hot afternoon and that he hadn't brought his shorts.

My daughter told him not to be silly and just strip down to his pants. "Mum won't mind."

I carried on tending the garden but as I did so, I noticed one of my nipples was showing through a gap in my blouse. It was then that I saw Bill had a huge bulge in his pants.

Bill turned crimson with embarrassment, but I got a real kick out of knowing I was turning him on.

Over the coming months, whenever Bill stayed over, I found myself deliberately giving him little flashes of my rude bits.

I would lean forward when offering him a coffee so that he could see straight down my top and once I bent over in front of him in my short nightie.

Often, in return, he would leave the bedroom door ajar and treat me to a quick flash of his penis when I walked past.

Both of us knew what we were doing, but both of us kept up the pretence, as this added to the excitement.

Things escalated when we put Bill up temporarily.

We gave him the sofa-bed in the lounge and I would always get up early to put the kettle on.

As I leaned over to put his coffee down next to him, my breasts flopped out and all at once, 'in his sleep' he threw back the duvet to expose a huge erection.

I looked at his beautifully long penis, with his foreskin pulled back and his heavy, hairy balls swollen and this was too much for me.

"My massive breasts flopped out and he exposed a huge erection"

visit www.paulraymond.com

"His hips started bucking, then he stiffened and shot his wad in my mouth"

So I slipped my gown open and stroked my clitoris with three fingers.

I had to touch his cock, as I might never get another chance, so I reached out and grasped his shaft.

It was so fat that I couldn't get my fingers all the way around it.

I leaned forward and touched his purple head with the tip of my tongue.

Bill went on 'sleeping', so I drew the rest of his cock into my mouth and rubbed my tongue up and down his length.

His body stiffened and I could hear his breathing quicken, but Bill still didn't move.

I sucked on his cock and fingered my pussy as I squatted next to him, but I wanted to feel his fingers inside me, so I grabbed his hand and moved it between my legs.

He slipped three fingers straight up inside me and used his thumb on my clitoris.

I used my now-free hand to caress his balls as I wanked him into my mouth with the other. He sighed as my hand tugged faster and faster at his stiff little prick.

His hips started bucking and very soon he stiffened and shot his wad in my mouth.

Believe it or not, this was the first time I'd ever swallowed cum, but I didn't know where else he could shoot it, so I gulped it all down and came myself as it ran down my throat.

The moment I'd finished cumming, I rushed out of the room all embarrassed and neither of us mentioned it again.

Now I want to be dominated and seduced by another large-breasted lady and possibly her husband. I also want a big juicy cock to surrender to on a secluded beach, all with my husband's blessing. Drop me a line, do.

Sam & Ben

My missus and I have been together for over a decade, but we only got into the swinging scene a couple of years ago in Brighton, where we live. After fantasising about doing it throughout our sexual relationship, we chatted about it seriously, then started out gradually, meeting up with another like-minded couple through a contact website, before going to full-on sex clubs. We naturally moved on from there to the point where we were feeling confident enough to host our own private sex party in our home. We invited five couples we'd partied with in the past, as well as a couple of Sam's single female friends who were open minded and had said that they'd always fancied going to an orgy. We made a point of laying down some ground rules – common-sense stuff about using protection and respecting the right of other people to say no to an encounter – and arranged a date for everyone to come over. We'd left condoms, sex toys and lube on display in our room, the spare room and the lounge, and there were drinks and nibbles in the kitchen.

We were both nervous the night of the do – although I think that was more to do with the hosting part, rather than the swinging bit! When our guests started to arrive, we ushered everyone into the lounge, poured them drinks and just let them relax and settle into the evening naturally, as you would in any normal party environment. Once everyone was chatting, we gave a little speech, reaffirming what we'd already informed them about rules, and then asked if anyone wanted to watch a DVD.

We'd already picked out something pretty horny and rather apt: an orgy movie in which a whole load of people got fucked, in every hole and every which way! The atmosphere in the room changed almost straight away. People started to edge a little closer to each other and you could see groups emerging. The odd hand started to slip inside tops and under skirts, and before long there was some serious snogging going on. Sam and I stood, pleased that the night was turning out the way we'd hoped, but also watching as various people made out in front of us and enjoying the sexy sight. Just then, Sam's friend Judy came over to grab a glass of fizz. Judy's a cute redhead, about 36, with small pert boobs and a cracking figure. Sam knew I'd always thought she

"Everyone was getting it on and the room smelt of hot sex juices"

was particularly cute, but I was stunned by how brazen she was about it. "Why don't you suck Ben's cock?" she said to Judy, and instead of being shocked, Judy simply grinned and sank to her knees in front of me. As I felt Judy's slender hands swiftly undo my fly and pull my erect prick out, before slowly sinking her luscious lips down around my helmet, I watched Sam wander over to where Shaun and Ellen, a couple we'd partied with before, were sitting. After whispering to Ellen, she perched herself on Shaun's lap – who didn't seem to mind at all – and revealed her gorgeous shaven pussy to him. Shaun instantly got his fingers wet, frigging her off as Ellen grabber her breasts while leaning in to snog her.

I watched all of this through half closed eyes, as Judy was doing something amazing with my cock, licking the shaft and slobbering all over it as she got me good and hard. It didn't take much, as the room now smelt of hot sex juices, and everywhere you looked there was someone getting it on with someone else. I don't think I had ever felt so horny!

Judy was giving me the sucking of a lifetime – so much so, I had to grab the mantelpiece to steady myself as my knees buckled completely. I didn't want to cum too quickly so I pulled her up and gave her a deep, hungry kiss, tasting myself on her tongue. Her arms wrapped around my neck and she kissed me back, the pair of us totally into each other. I slipped a hand between her legs and under her skirt, feeling the tell-tale signs of interesting undies – to my joy, the tart was wearing stockings and suspenders! I pulled her knickers to one side and slipped two fingers into her swollen fanny. She was sopping wet already, really juiced up, and I swilled my fingers around then lifted them to her lips for her to lick clean, before suggesting that we moved into one of the spare bedrooms.

As we left the lounge, Judy leading me along by my cock, I looked across to see Sam on the sofa, on her knees, sharing Shaun's cock with Ellen. Her bare arse was up in the air, and I couldn't resist popping over and slipping two fingers inside her beautiful snatch – if only to remind her that I exist! She turned round at that, saw me and Judy all over each other and grinned at us. "Leave me to have my fun, darling," Sam giggled, and turned back to Shaun. God, how many husbands dream of their wives saying that? I didn't waste any time, giving Judy's arse a good squeeze and suggesting again that we made our way upstairs.

There were a few obstacles that I hadn't considered on the way – two girls snogging each other's faces off on the staircase and a couple fucking on the landing, the woman bent over the top stair as the guy slipped into her from behind and– but we managed to slip by without disturbing anyone and headed for the room at the back of the house. There was nobody in there, so we made ourselves comfy on the bed and snogged again, Judy wanking me off as I groped her tits through the top she was wearing. I could see her nipples sticking out like bullets – she obviously hadn't bothered with a bra – and she gasped when I gave them

a pinch.

I lifted Judy's top off over her head, letting her breasts out, and she wriggled out of her skirt. She was wearing only stockings, suspenders, her heels and panties, which she pushed to one side, letting her pussy free. It was one of the horniest things I'd ever seen. I pretty much ripped my clothes off as she sat there on the bed, telling me how much she wanted me to fuck her.

I pulled my pants and trousers off, after which Becky grabbed my cock and started to suck on it again. She took it slower this time, long deep sucks, taking me into the back of her mouth. It was all I could do not to thrust down her throat, just watching her sucking me off was bringing me really close to cumming.

I pushed Judy back onto the bed and ventured down between her legs. The dense, musky smell of her pussy filled my nostrils and her tangy juices were smeared everywhere. I pushed her thighs apart and had a few long, slow laps at her slit, savouring the taste.

"Stop fucking around down there," Judy gasped, "I'm more than wet enough, and you're gonna cum pretty soon anyway. Just get your cock inside me." I did as she commanded, putting on a condom and slapping my cock against her clit a couple of times before pressing it inside her. She took the length with a contented grunt, then smiled up at me, "Now, fuck me, tiger!" Despite being somewhat surprised at being called 'tiger', I wasted no time and started to pummel deep into her snatch. I could feel her cunt muscles squeezing against my cock as I thrust in and out of her, building up some speed. The condom made it a bit easier to prevent myself cumming, but I knew that this wasn't going to be a marathon session – I could sense that Judy was pretty close to getting off herself.

Judy's long legs wrapped around my back as she tried to get me even deeper inside her,

"She bit into her bottom lip as the waves of orgasm ripped through her body"

and she arched her back, her breath short and shallow, as she started to reach a climax. I felt her pussy spasm and tighten around my prick as I kept riding her, and she pushed one of her hands between her legs, frigging her clit to make it even more intense. Her eyes closed, she bit into her bottom lip as the waves of orgasm ripped through her, then she let out a gasp and slumped back on the bed.

I'd kept fucking her as she came, but now I pulled myself back to give her a minute's breather. She looked up at me and smiled, her face flushed, "Keep fucking away, Ben, or you won't get off yourself…"

I started to screw her again slowly, and she urged me on, telling me to go faster and deeper, until I felt my balls tighten and I emptied my load into the condom and all but collapsed on top of her.

We lay there for a while, and then got dressed and went down into the lounge. It was pretty jaw-dropping down there, with a couple of groups fucking each other, and loads of loud, sexy sounds coming from other rooms in the house. I finally found Sam in the kitchen, on her knees, wanking two guys off all over her pretty face. When I offered her my cock, she immediately let the others go and, after sucking me back to hardness, treated me to a cracking blowjob which resulted in an old-fashioned facial!

The night went on in a similar fashion until the early hours, and we've had a couple of similar parties since – the last one resulting in Sam being made airtight with cock!

AUSTIN

visit www.paulraymond.com

Bored and horny housewife Austin, naked on a sofa, all dolled up, playing langorously with her ladyparts and just waiting for the doorbell to ring. It almost makes you want to join the Jehovah's Witnesses doesn't it? "I fantasise about strangers calling and then taking me passionately!"

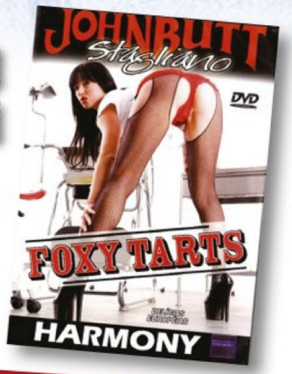
FILM PHW

RESOLVE TO START THE NEW YEAR EXPLORING YOUR KINKIER SIDE

Filthy Fantasies

Foxy Tarts

Released by: Harmony Films
Starring: Lolly Badcock, Katie K, Renee Richards, Ree Petra, Loona Luxx, Melvina Raquel, Strap-on Jane



BEST BITS: Director Strangelove lives up to his kinky reputation here, with every scene giving us his unique insight on the world of fantasy fetishism. Ree Petra performs in the freakiest scene in the movie, sucking and fucking three guys in rubber clown masks to completion before being strapped to a sex wheel but the most outstanding pairing is that of delectable honeys Lolly Badcock and Katie K (*left*) starring in an explosive anal-filled scene set in an operating theatre, with the help of a gynaecologist's chair, double-ended dildo a golden shower and a couple of PVC nurses outfits! Did we mention that Katie straps a dildo to her chin to fuck Lolly's perfect pussy, or that just as you think the scene is over, legend Strap-on Jane joins in on the action?

WORST BITS: The main annoyance in this movie is during Ree Petra's scene, with the overuse of split-screen shots. Yeah, it's clever, but nobody wants to have to concentrate while wanking! Plus, you sometimes get the feeling that Strangelove is trying just that bit too hard to be, well, strange.

DVD FEATURES: A decent photo gallery, cumshot recap, trailers – seen better.

Babysitters 2

Released by: Digital Playground
Starring: Jesse Jane, Kayden Kross, Stoya, Riley Steele, Bibi Jones (*left*), Jynx Maze

BEST BITS: Ever since *Rita, Sue and Bob Too*, thousands of men have had crushes on the babysitter, so Digital Playground went and made a porn film about them! *Babysitters 2* is just as good as its predecessor with the quality stars, lighting, scripts and editing that we've come to expect from a DP production. The orgy scene with Bibi Jones, Jesse Jane, Kayden Kross, Riley Steele (*right*), Stoya (*far right*) and a single stud has to be seen to be believed.

WORST BITS: The movie is hampered by numerous and weak close-ups, – making the otherwise scorching threesome with Riley Steele somewhat difficult to follow. I actually found myself thinking, "Erm, whose leg is that?"

DVD FEATURES: DP haven't been stingy with the extras – there's an entire disc of them!

OOOAAR!

Office Perks

Released by: Bluebird Films
Starring: Cindy Behr, Kerry Louise, Emma Butt, Stacey Saran, Sasha Rose, Jasmine Webb

BEST BITS: Seeing busty workmates Kerry Louise, Cindy Behr and Sasha Rose all dolled up in blouses, stockings and heels, beavering away at their desks, who wouldn't fantasise about having sex in their orifices, er, offices. Cindy Behr's vocals are something of a talent – that girl is one sexy bitch – and Jasmine Webb stands out in her threesome with Emma Butt, deep-throating her stud's cock like she's not eaten all year. All in all, this is a must for anyone with an office sex fantasy!

4/5

WORST BITS: A few audio problems during Sasha Rose and Kerry Louise's scenes put us off our stroke slightly, but not enough to stop us completely!

DVD FEATURES: A nice gallery, a cumshot recap, a few Bluebird trailers and interactive menus.

Fighters

Released by: Digital Playground
Starring: Jesse Jane and Kayden Kross

BEST BITS: What, you've never watched women's boxing and had just a little 'what if' moment? Digital Playground superstars Jesse Jane and Kayden Kross both give the best acting performances of their careers and, although they don't actually fuck each other, they and their female co-stars have a damn good go at fucking everything else that moves. Other DP contract honeys Riley Steele, Stoya, Bibi Jones and Vicki Chase all get in on the action. The plot is brilliant – way too good for a porno – and the camera work, lighting and script are all strong, too. Stoya shines sexually – making us particularly jealous of her stud – although there isn't a duff fuck in the bunch.

WORST BITS: I was a bit let down that the film didn't end with Kayden and Jesse punching the living shit out of each other. Maybe it's just me.

DVD FEATURES: A whole extra disc of bonus stuff.
